Enclosure Para 2.

My wife Dr. Mrs. M. Ratnamma Isaac is to retire by the middle of this month. But she will not get the full pension because she served in the beginning for 2½ years with the Madras Govt. As she has been doing uniformly good work in the Dept and doing much honorary work in Maternity and Child welfare in connection with the Red Cross Society and Mysore State Women's Conference, I request you sir, to kindly treat the term she served with the Madras Govt as training period as is done in the judicial dept and grant her full pension as it has been given to Dr. Deen Dyal Singh and others, for which we shall be most grateful.

(b) To grant her full pension as it has been given to Dr Deen Dayal Singh & others.

Re : (a)

In April last Mrs Ratnapuma Isaac submitted a representation requesting that the service of 2½ years put in by her in Madras Govt, prior to her entry into the Mysore Medical Service, may be recognised and treated as service qualifying for pension. This period of service being outside Govt service, it would not count for pension and she was informed that her request cannot be complied with. "Q"

Surgeon in the Government Maternity Hospital at Madras cannot be added to her service qualifying for pension under this Government according to rules.

Dr. (Mrs.) Isaac had made a similar representation in 1936 and a reply was issued that it was too premature then to take up the question.

Though her representation is inadmissible under the rules, her case seems to offer certain special points for consideration.

(1) She was entertained at a time when there was a dearth of such qualified lady Doctors.

(2) The contention that her training in that hospital was useful for this Government also may be considered to have some force as officers will be deputed for training at Government cost when the exigencies of Public Service warrant such a course.

(3) The reply already issued to her in 1936 has, in a way, appears to imply the holding out of some hopes to her.

15) If Government are inclined to show consideration to her case, with favour, the utmost limit of benefit that could be allowed would appear only to be an addition of one year and 3 months (i.e., equal to half of her service in the Madras Hospital) and pension granted calculated on a total qualifying service of 23 years. This is the utmost consideration that by any stretch of analogy could be

FINAL NOTE BY THE MINISTER FOR LOCAL SELF-GOVERNMENT AND PUBLIC HEALTH.

Subject:—

Representation of Mrs. (Dr.) M. Ratnamma Isaac, Surgeon, praying for the grant of enhanced pension.

------ : 0 : ------

These papers relate to the request of Mrs. M. Ratnamma Isaac, Retired Surgeon, Medical Department, requesting that she may be granted full pension.

The net qualifying service put in by Mrs. Ratnamma Isaac is 20 years, 9 months and 12 days, for which she is entitled, under the rules, to a superannuation pension of Rs.250/- per mensem. She requests that the services of two and a half years put in by her in the Government Maternity Hospital at Madras, may be counted for pension on the analogy of Members of the Bar who are directly appointed as Subordinate Judges and First Class Magistrates. There are no instances of Medical Officers having been shown any such concession. However, taking into consideration the fact that the lady was entertained in service at a time when there was dearth of qualified Lady Doctors and that her training in the Madras Hospital has proved useful, it is proposed to show some consideration in her case.

The subject was accordingly considered at a meeting of the Council held on the 23rd December 1942 when it was resolved that "Dr. M. Ratnamma Isaac may be given an arbitrary pension of Rs.275/- per mensem."

The resolution of the Council may be graciously approved.

With reference to correspondence ending with your letter No. 3954/C. To

The Minister for Local Self-Government
and Public Health, BANGALORE,

Through

C 2885-4 The Senior Surgeon with the Government
of Mysore, BANGALORE.

Sir,

Before joining Mysore Medical Service in January 1920, I was for 2½ years employed as Asst. Surgeon in the Government Maternity Hospital at Madras, and during that time I was trained there under Col. Gifford, Col. Hingston and the late Dr. S. Rangachari, the well-known Surgeon and Expert in Gyneacology. Recognising this period of training the Government started me here on Rs.170/- instead of Rs.150/-, the starting salary of lady medical graduates.

Because of this period of service and training in British Service, I have not been able to put in enough number of years in Mysore Service to entitle me for a full pension on my retirement. May I request you, Sir, to kindly treat this 2½ years as training period with no loss to the Government of Mysore, and count it with my service and grant me full pension, for which I shall be most grateful.

I understand that this is being done in the Judicial Department of the Government. When I applied for this recognition during the time when Dr. S. Subba Rao was the Senior Surgeon, the Government kindly replied me that it will be considered at the time of my retirement.

I may also add here that during my service in Mysore, I have always associated myself with Maternity and Child Welfare Work and did considerable voluntary service in connection with the Mysore State Women's Conference and the Indian Red Cross Society, Mysore State Branch, in every place where I had worked.

I have also an uniformly good record of service, and request you, Sir, as the Government has done in some other cases in the Department, to kindly recognise my training period in Madras and grant me the full pension, for which I shall be most grateful.

I beg to remain,
Sir,
Your most obedient servant,

Dr Ratnamma Rao

"Venkatesham",
Ranga Rao Road,
Basavanagudy,
Bangalore City.
16th July 1942.

1. Recognising her service in Madras as a period of training, with no loss to the Government, she was started on Rs. 170/- per mensem and in four month's time she was promoted to Rs.200/- per mensem.

2. In about 1935 when she asked for grant of full pension the Government was pleased to inform her that it would be considered at the time of retirement. This was again repeated two months ago.

3. She has done good work in the department and has very often been in charge of big Maternity Hospitals in the State and the reports have always been very good.
